

How to Use Your DHS LMS Find Learning for DHS

1 Point to the **Find Learning** tab in the main menu, then choose the **DHS Course Catalog**.

3 Click on the "i" to show the course summary and enrollment type.

You can also use the **Search by** text box to filter down by key word.

Course summary	This training is not in lieu of the FISH!
Status	You are not currently enrolled in this course.
Enrollment type	Manual enrollments, Self enrollment (Learner), Seminar direct e
Self enrollment (Learner)	No enrollment key required.

If **Self Enrollment (Learner)** appears, click the **Enroll** button. You will then be taken to the home page for the course where you can begin training.

TIP
To browse currently scheduled training events, use the **View Schedule** option available from the Find Learning menu.
